Missouri Music Educators Association

A Federated State Association of the National Association for Music Education

Welcome to this All-State Concert of the Missouri Music Educators Association 85th In-Service Workshop/Conference, “Grow MO: Telling Our Story and Influencing Our Future” If there is anything that fits our theme at this conference, it is the All-State Performances. These fine young musicians ARE the future of music education in Missouri. They are beginning their story and being influenced by the thousands of music teachers in our state. Their performance represents the highest level of achievement a high school musician can attain.

Since 1938, the Missouri Music Educators Association has made this beauty possible by relentlessly pursuing the first objective in our constitution which is to promote and advance music education in Missouri. MMEA is exceedingly proud to host the All-State ensembles in partnership with our affiliate associations: the Missouri Association for Jazz Education, the Missouri Bandmasters Association, the Missouri Chapter of the American String Teachers Association, and the Missouri Choral Directors Association. MMEA is also very proud of the, now, two All-State ensembles that we sponsor, the Missouri All-State Children’s Choir and the newest All-State ensemble, the Collective.

Just like any behavior or skill, excellence is taught. These students were taught to practice and taught to strive to be their absolute best. This excellence has been nurtured at home, at school and in the communities from which these students come. Communities that value a well-rounded educational experience that includes music education. Places where being in a performance ensemble is a necessity to learn critical thinking and problem solving skills, teamwork and social skills. And maybe the most important skill of all, an appreciation of beauty that can be recognized beyond political leanings or any other differences. Music is important because it makes better people out of us all.

On behalf of the Missouri Music Educators Association, thank you for being here to support the journey of these students and the incredibly hard work of their music teachers. You are an important part of their story and you are influencing their future with your presence and support.

The Collective is a unique group of vocalists and multi-instrumentalists from across the state who have come together to perform a concert of completely original music. The Collective's process began in December via Zoom. During those virtual meetings the musicians shared their musical ideas and have been collaborating to create the songs performed this evening. The process has been student-led, guided by Dr. Clint Randles and co-director Taio Xie, and you can read more about it, the members, and about the songs performed by the ensemble on their website accessed using the QR code. Thank you to the MMEA board, chaperones, and the students' music teachers and parents for your work supporting this ensemble.

Schofield recently completed command with the United States Air Forces in Europe Band stationed at Ramstein Air Base, Germany, where he oversaw and directed more than 400 missions annually across Europe and Africa in a 104-nation area of responsibility. Born in Atlanta, Georgia, Schofield received his bachelor's degree in music education from the University of Georgia, his master's degree in music from Louisiana State University, and his doctoral degree from Boston University. Prior to receiving his commission at Officer Training School in 1997, Schofield was a public school band director for 6 years in Georgia. His previous commands include the United States Air Forces in Europe Band in Germany, the United States Air Force Academy Band at the United States Air Force Academy in Colorado, the Band of the Air Force Reserve at Robins Air Force Base, Georgia, and the Band of Mid-America at Scott Air Force Base, Illinois. Colonel Schofield also served as the Deputy

Schofield has conducted military bands, professional orchestras, and school honor bands throughout the United States, Puerto Rico, Belgium, the Czech Republic, Estonia, France, Germany, Luxembourg, Poland, Sweden, and Ukraine. He has led international performances with artists such as Kid Rock, Little Big Town, Josh Turner, Lee Ann Womack, Chris Daughtry, the Mormon Tabernacle Choir, Lonestar, Wynonna Judd, Naomi Judd, Robin Meade, Amy Grant, Take 6, Diamond Rio, the Miracles, Lee Greenwood, Gary Morris, Brian McKnight, Gordon Goodwin, and Yuri Mylenko. As a result of his musical leadership during internationally broadcast productions at the Grand Ole Opry, Schofield was twice recognized by the National Academy of Television Arts and Sciences as a Top Four Finalist for a prestigious Emmy Award. Schofield's leadership has been recognized by the U.S. Air Force by being named the United States Air Forces in Europe's Public Affairs Communication Excellence Field Grade Officer of the Year, the United States Air Force Academy's Public Affairs Field Grade Officer of the Year, the Air Force Reserve Command's Public Affairs Field Grade Officer of the Year, Air Mobility Command's Band Officer of the Year, and Air Force Materiel Command's Band Officer of the Year.
