TAN-TAR-A CONFERENCE CENTER | OSAGE BEACH, MISSOURI

Missouri Music Educators Association

A Federated State Association of the National Association for Music Education

Welcome to this All-State Concert of the Missouri Music Educators Association 82nd In-Service Workshop/Conference, “Vision 20/20: Looking at the Future of Music Education Through the Eyes of a Child.” What you will see and hear from these wonderful musicians gives us all reason to rejoice; their performance represents not just the highest level of talent but a celebration of the human spirit. At a time when we are struggling with issues that test our will it is fitting that we draw comfort and find inspiration from that which has sustained and nurtured over the centuries. Music has no equal.

Missourians are a proud and independent lot yet we also know we need each other. Music affirms the best of our world. Through music we see the opportunity for students rich in heritage and circumstance to unite in sound and spirit to create something so beautiful it hardly seems possible.

Since 1938, the Missouri Music Educators Association has made this beauty possible by relentlessly pursuing the first objective in our constitution, to promote and advance music education in Missouri. We are immensely proud to host the All-State ensembles, an elite collection of musicians from across this great state.

To the affiliate organizations who have sponsored and coordinated our high school ensembles; to the teachers who have spent countless hours instructing, guiding, and nurturing these young people; to those who have animated and supported a love for music from the home, we salute you.

On behalf of the Missouri Music Educators Association, we hope you enjoy today’s performance. As you are about to see, the future is bright.

About the conductor...

Alan Baylock. Born and raised in a small town in Southwestern Pennsylvania, Alan Baylock has composed music that is performed throughout the world. One of the most respected and sought-after jazz composers and educators in the industry today, he is the director of the Grammy-nominated One O'Clock Lab Band at the University of North Texas, and previously served 20 years as Chief Arranger for the USAF Airmen of Note in Washington, D.C. The Alan Baylock Jazz Orchestra recorded three critically-acclaimed CDs and performed throughout the United States for 15 years. Baylock graduated from Shenandoah University (BME 1990), where he later became Jazz Composer-in-Residence, and the University of North Texas (MM 1994).

Baylock travels extensively as guest conductor and clinician, and has been featured with close to 100 professional, collegiate, high school (all-state and regional) and middle school jazz ensembles. Alan is on faculty at the National Jazz Workshop (NJW) and directed the NJW All-Star Big Band in performances on the East and West Coast. He is an active member of the Jazz Education Network (JEN) where he mentors recipients of the annual Young Composers Award and is a guest clinician for the JENerations Jazz Festival. Thanks to the Nu Psi Chapter, Alan became an honorary member of Phi Mu Alpha in 2016, and became an honorary member of Kappa Kappa Psi (Kappa Epsilon Chapter) in 2017.

Alan's music has been performed and/or recorded by jazz greats Freddie Hubbard, Michael Brecker, Maynard Ferguson, Doc Severinsen, Joe Lovano, Paquito D'Rivera, Phil Woods, Arturo Sandoval, David Liebman, Kurt Rosenwinkel, Kenny Werner, Joshua Redman, Stefon Harris, Jerry Bergonzi, Nicholas Payton, Sean Jones, Tierney Sutton, Kurt Elling and many more. His eclectic talents have also led him to writing music for Roy Clark, Lee Greenwood, Wynonna, Al Jarreau, Chaka Khan, Patti LaBelle, Spyro Gyra, Ronan Tynan, and symphony orchestras throughout the United States and abroad. His music is published by Alfred Music and ProJazzCharts.com.

Baylock lives in Denton, Texas with his wife, cellist Maria Baylock. In his spare time, Alan is an avid table tennis player.

Financial support for Alan Baylock's appearance at the MMEA Conference was made available by the Missouri Alliance for Arts Education through a grant from the Missouri Arts Council and a Jazz Education Partnership from Jazz St. Louis, Andy Ament, Director of Education.

About the conductor...

Jeffrey Grogan is an internationally-acclaimed conductor and teacher, currently serving as Director of Orchestral Activities at the Wanda L. Bass School of Music at Oklahoma City University. During the summers, he is invited by the LA Philharmonic to conduct alongside Gustavo Dudamel at Disney Hall, a part of the Youth Orchestras of Los Angeles National Festival. Grogan was scheduled to appear at the Sewanee Summer Music Festival and the Beethoven 2020 Festival in Vienna last summer prior to the virus outbreak. Recent work includes conducting at the Sydney Opera House, Harpa Concert Hall in Iceland, and in Bangkok and Singapore. Grogan serves as a Master Educator for the Yamaha Corporation of America and also on the Advisory Committees of the Midwest Clinic and Music for All.

Following his passion for performing and helping to create new music for orchestras, he has collaborated with many composers such as Lowell Liebermann, Michael Colgrass, Eric Whitacre, Steven Stucky, and Scott McAllister—as well as soloists Richard Stolzman, Stefan Hoskuldsson, Julian Schwarz, and the Canadian Brass. Grogan worked in the studio and on several projects with violinist and composer Mark O'Connor. Grogan recorded O'Connor's March of the Gypsy Fiddler with the Ahn Trio and New Jersey Youth Symphony on OMAC Records, which is played on classical music radio throughout the country.

He previously served eleven seasons as Education and Community Engagement Conductor of the New Jersey Symphony Orchestra, and as Conductor and Artistic Director of the NJSO Youth Orchestras, the InterSchool Orchestras of New York, and the New Jersey Youth Symphony. He was founding Artistic Director of two El Sistema inspired programs in New Jersey, CHAMPS and the Paterson Music Project. Grogan taught for over a decade at the University of Michigan, Ithaca College, and Baylor University. He is also the former Associate Director of Bands and Marching Band Director at the University of Michigan and Baylor University.

About the conductor...

Dr Michael Joseph Barrett is the conductor of the University of Pretoria (Tuks) Camerata and a senior lecturer in Choral Conducting in the Department of Music. He was a member of the Drakensberg Boys' Choir from 1992 to 1997. He obtained the degrees BMus in Performing Arts (cum laude) in 2005 and MMus (Performing Arts), specialising in choral conducting, in 2008, both from the University of Pretoria. He holds a Postgraduate Certificate in Higher Education (PGCE) and a Performance Licentiate in Singing, both received in 2008, from Unisa. In 2017, Michael was awarded a Doctorate of Music degree (Performing Arts) in Choral Performance by the University of Pretoria.

Michael's choirs have won numerous national and international awards, as well as choral competitions all over the world, including the Grand Prix of Nations (Latvia, 2017); the 8th World Choir Games (Latvia, 2014); the St Petersburg Choral Competition (Russia, 2013); the Llangollen International Musical Eisteddfod (Wales, 2012); the Krakow International Advent Choral Competition (Poland, 2012); Europe and Its Songs (Spain, 2010); and the International Youth Music Festival (Slovakia, 2010). In 2017, Tuks Camerata was invited to perform at the World Choral Symposium in Barcelona, Spain. The choir has released three CDs, which were all nominated for South African Music Awards.

Michael is an active composer and arranger whose music is published internationally by Santa Barbara Music Publishers and Walton Music. He is regularly invited to present workshops and adjudicate choral competitions both locally and abroad. He is also the executive director and co-producer of Capital Singers, South Africa's largest community choir project.

About the accompanist...

Cheryl Nichols has been making music with friends of all ages for more than forty years. She has been a collaborative pianist with countless ensembles and soloists, and is an active member of the American Choral Directors Association. Serving ACDA, she has been accompanist coordinator for clinics and music conventions in Missouri and for ACDA's Southwest division. Cheryl has accompanied the Missouri All-State Choir for 18 years. Cheryl is currently a vocal teacher and accompanist at Jefferson City Public Secondary schools. Nichols serves as director of the choir and music at Peace United Church of Christ in her hometown of Hartsburg, Missouri.

Financial support for Michael Barrett's appearance at the MMEA Conference was made available by the Missouri Alliance for Arts Education through a grant from the Missouri Arts Council: a state agency.
