

FOCUS ON NATIONAL

Are you aware of all the amazing benefits available from our national office?

Visit acda.org today!

Greetings, MCDA!

There seems to be a universal feeling this, Fall - life is busy. We're well into our choir year, and things have really "cranked up." I hope these days ahead are productive and rewarding for you. As you're involved with your District and State events, I hope you'll reach out and let your colleagues know about the great things that MCDA has to offer. Encourage someone to become a member and assist them in getting connected! Speaking of connected, the greater ACDA membership will be gathering in Denver in just a few months for the SWACDA Conference: Limitless! If you've never attended a division convention and you've never been to Denver, those are two great reasons to join us. In the meantime, continue making great music and great memories.

Kevin McBeth
MCDA President

There are many resources available through our national office. Log into acda.org today and check it out!

Have you looked at our regional conference information? This is going to be unbelievable! You should not miss it! Registration is open! swacda.org
