

M C D A F A M I L Y

This is the perfect time for us to GROW our MCDA family with the DISTRICT CHALLENGE!

Talk to your District Rep about which option is best for your district. And perhaps suggest people that you know!

Option 1
District Commitment to a New Member

Option 2
District Participation in the 2 Year Certificate Program

Option 3
District support of a new member to attend our Summer conference.

Have you accessed the MCDA File Share? There is amazing content vetted by our #mcdafamily!

Our MCDA family is involved in education, church, community. We hope you are able to take the long weekend to rest and recharge. MCDA is here for you. Do not be afraid to reach out if you need assistance, or an ear to bend. Do not be afraid to be that ear. #MCDAFAMILY here for you.

NATIONAL MEMBERSHIP DRIVE

The choral community in our state is among the very best and you will not find better support for that choral community than with the Missouri Choral Directors Association.

Since membership dues can be a challenge for our young choral professionals we have a program to help them! Please tell them to contact the membership chair (me).

What teacher do you know who is not currently a member? MCDA offers a chance to be part of something that is greater than anything we can do by ourselves. That is MCDA. Every choral director deserves a chance to see what this organization has to offer.
