## NATIONAL MEMBERSHIP DRIVE

The choral community in our state is among the very best and you will not find better support for that choral community than with the Missouri Choral Directors Association.

We know membership dues can be a challenge for our young choral professionals and we have a program to help them! Please tell them to contact the membership chair. [kathybhat@gmail.com](mailto:kathybhat@gmail.com)

Do you know someone who is not currently a member? MCDA offers a chance to be part of something that is greater than anything we can do by ourselves. That is MCDA. Every choral director deserves a chance to see what this organization has to offer.
